

MAHONIAN '64

RAYMOND LEE KITNER

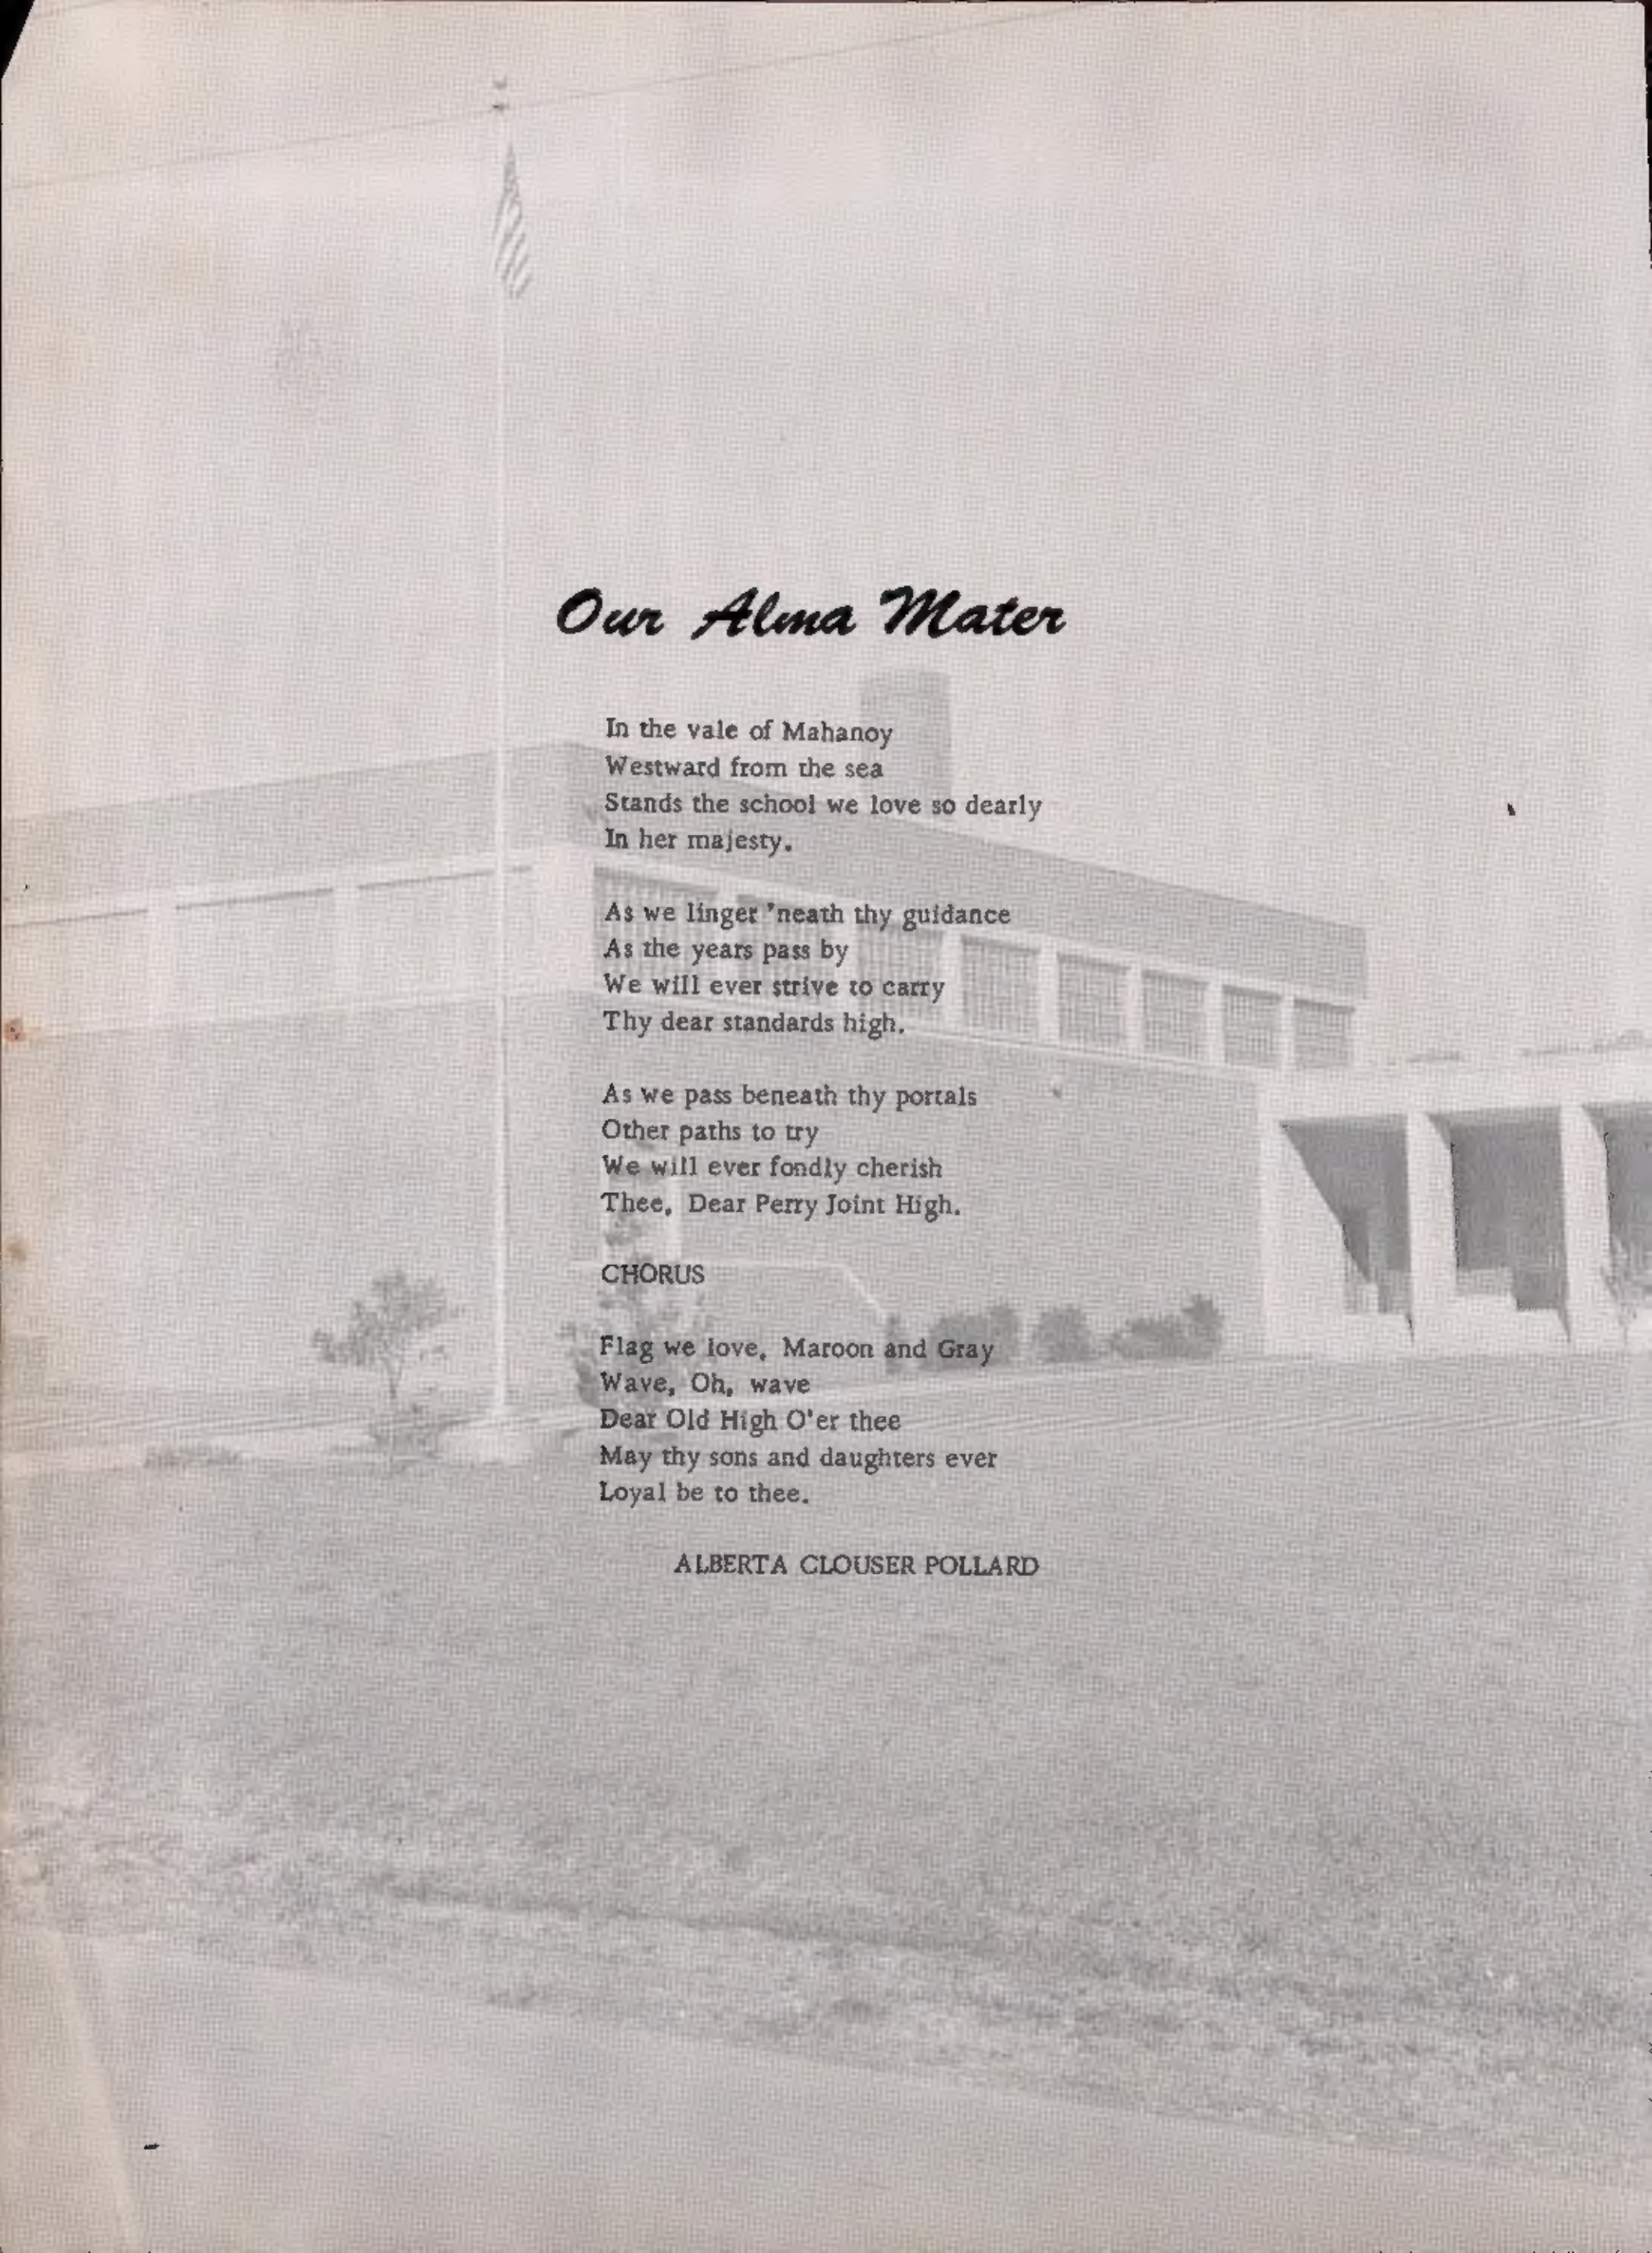

The crest is a shield-shaped emblem. At the top, a banner reads "IN THE VALE OF". Below this, the letters "H" and "S" are positioned on either side of a central vertical element. The central element is a large, stylized letter "P" that serves as the background for the word "Mahonian". At the bottom of the shield, a banner reads "MAHANAY".

PERRY JOINT HIGH SCHOOL
NEW BLOOMFIELD
PENNSYLVANIA
1964

The background of the page is a faded, black and white photograph of a school building. On the left, a tall flagpole stands with an American flag. The building is a long, single-story structure with a series of windows and a covered entrance on the right side. The foreground is a grassy lawn.

Our Alma Mater

In the vale of Mahanoy
Westward from the sea
Stands the school we love so dearly
In her majesty.

As we linger 'neath thy guidance
As the years pass by
We will ever strive to carry
Thy dear standards high.

As we pass beneath thy portals
Other paths to try
We will ever fondly cherish
Thee, Dear Perry Joint High.

CHORUS

Flag we love, Maroon and Gray
Wave, Oh, wave
Dear Old High O'er thee
May thy sons and daughters ever
Loyal be to thee.

ALBERTA CLOUSER POLLARD

We, the Class of 1964, will be the last class graduated from Perry Joint. Next year the underclassmen will experience something new and entirely different. As times change, it becomes necessary for other things to change, too. Education is no exception. The proven fact that smaller schools are hampered by the limited curriculum they can offer and other disadvantages has brought about the consolidation of Perry Joint, Green Park Union, and Blain Union into one high school to be called West Perry.

There definitely will be many problems to solve, but finally everyone will benefit. The school will only be what the students make it. We would like to say to all underclassmen, cherish fondly the memories of Perry Joint but look ahead to the future.

Editor-in-Chief
CONNIE SHATTO

Foreword

During our senior year, the United States has been celebrating the centennial of a great but tragic event in the history of our country - the Civil War. We feel that we owe a debt to those who fought so bravely in that war. It is with that thought in mind that we chose the Civil War as the theme for the 1964 Mahonian. Members of the staff photographed personally, on the Gettysburg battlefield, selected scenes for the division pages.

And now, we, the staff, proudly introduce to you the 1964 Mahonian.

Dedication

In a world so troubled as ours we sometimes forget the turmoil that faced the people of the last century. We are now mourning the loss of a great man - John Fitzgerald Kennedy. They too mourned the loss of a great man - Abraham Lincoln. We are faced with a tremendous civil rights problem. They too were faced with this problem - the outcome was one of the worst wars in history. We, in the twentieth century, feel that our problem should not be allowed to culminate in such a climax. We realize that many lives were lost and that hardships plagued those who survived. It is our hope that our nation will not be faced with a similar catastrophe. We can never honor or extol too much those individuals who in President Lincoln's words, "gave their lives that the nation might live."

So it is with pride yet humility that the senior class of 1964 dedicates this Mahonian to those who died fighting for the rights of all men.

Administration

MELVIN W. PAUL
Supervising Principal

Mrs. Lawlor serves as Administrative and School Board Secretary. Among her many duties are handling school board reports, taking care of school money and making out the payroll. Despite her busy schedule, Mrs. Lawlor enjoys attending various school activities.

Mr. Paul is well equipped for his tremendous job as supervising principal because he has experienced almost all the problems that a teacher or principal has, for he has been both. He started his teaching career in 1929 but did not come to the former New Bloomfield High School until 1944. He was principal and taught in the high school until 1949 when he assumed his responsibilities as supervising principal. He has maintained this position and is currently serving both Perry Joint and Green Park Union High Schools as supervising principal. As of July 1, 1964, he will assume his duties as supervising principal of the West Perry School District. We extend our best wishes for continued success in the future.

MRS. ELEANOR LAWLOR
Secretary

The smooth operation of our school is the responsibility of Mr. J. C. Woomer, our principal. Mr. Woomer has been associated with New Bloomfield and Perry Joint High School for 18 years. In spite of his crowded schedule, he can always find time to help any student or teacher. He can be approached for help in any field ranging from personal problems to those of money making projects for school functions. Mr. Woomer never passes judgment on a student without first hearing his side of the story. We will long remember his help and words of kindly advice.

JOHN C. WOOMER
High School Principal

MRS. PATRICIA SWENSON
Secretary

Mrs. Swenson, better known to students and teachers as "Pat," fills an important function in the operation of our school. Among her many responsibilities are those of keeping permanent files of all the students and taking care of report cards at the six weeks' end as well as serving as Mr. Woomer's "girl Friday." She is always ready to help students and teachers in any way she can.

Our coaches are a hard-working body of teachers dedicated to instill in the boys and girls of Perry Joint the challenge and importance of good sportsmanship.

We dedicate this page to our Coaches. They work with inadequate equipment and complicated schedules. Also, they deny their families time which should be spent with them just so the boys and girls of our school may have a strong athletic program.

OUR THANKS TO YOU, COACHES.

PERRY JOINT FOOTBALL 1963

At the beginning, my hopes were high. We had some size and more than average experience. It looked like another good year.

But when the scrimmage games were over and the real ones started, we had a rude awakening. We had no offense and our defense made all the big mistakes. After a bad loss to Trevorton, we started over again and it took three more beatings before we started to look like a team. Pine Grove and Mahanoy both defeated us by one touchdown, but we pushed them all over the field. This was the team I had expected to coach. We finished the season by knocking Lykens out of the running, hammering Williams-town, and getting stopped by Halifax.

We did not have a winning season, but we came back. This made it a good season.

Both the Varsity and Junior Varsity Basketball Teams posted fine records in the 1963-64 season. The Varsity team was lead by new head coach, Garnet Coble, and the Junior Varsity by Coach Frederick. As this was the last season for Perry Joint basketball, the coaches should be congratulated for compiling such fine records in this last year.

The Perry Joint "Bobkittens" under the direction of Coach Lewis faced a rugged season, but they proved to be worthy opponents. Many long hours of practice were rewarding as the Bobkittens came through with a very successful season. Good spirit, hustle, and sportsmanship had much to do with the success of the team.

Here the majorettes do a part of their Indian routine, a favorite of the girls.

Whether at a football game, a pep assembly, a parade, or in concert, the band always complements the occasion. Their brilliance at these functions is not merely a spontaneous effort. It is rather a result of constant work, much of it during their own time, to improve their proficiency.

This past year the band performed half-

time drills and provided pep music for all the football games. They also participated in parades in the surrounding communities.

The band owes its success to Mr. Harrison, the director. He has given so much extra time and energy to make our band an organization with musical quality.

The choral department of Perry Joint High School is under the direction of Norman C. Harrison. It consists of a mixed chorus and a girls' sextet.

This year the group excelled in their traditionally fine performance during the Christmas season. After many weeks of practice and hard work the chorus presented to the student body and the community their annual Christmas Candlelight Service. The chorus will also perform in the graduation exercises in May.

Class History

Late in August of 1958, 70 soldiers arrived at Fort Perry Joint to begin our seventh year of battle in the fight for an education. As we stood in the lobby looking excitedly around the new "battlefield," we realized that we had one definite goal in mind. That goal was an education!

We knew it would be essential for us to choose our leaders for this year. They were Captain Ralph Swan, Lieutenant Sally Stoops, recording our proceedings was Virginia Cornish, the treasurer was Sandra Shelly, and the historian was Jill Shope. With the guidance of our commanders, we soon won our seventh battle.

In 1959, we entered our eighth year of battle with more hope and courage than ever before. To keep our infantry organized, we elected the following as officers: presiding as Captain was Connie Shatto, Lieutenant Sally Stoops assisted our captain, keeping account of the infantry's proceedings was Connie Black, the treasurer was Donna Gamber, and the history was recorded by Susan Fisher. Our two Student Council representatives were Ronald Boggs and Randy Wilson.

As the end of the battle drew near, one of the soldiers came down with an attack of appendicitis. This soldier was Brooks Reeder, who was not able to finish the eighth year with us.

On August 30, 1960, 58 soldiers returned to their positions as members of the freshman infantry. Two new members joined our forces. They were Elaine Weibley and Stanford Kingsborough.

We began to work earnestly to make money. One financial goal was the senior class trip to New York City.

Quite a few of the members began to show promising athletic abilities in the various sports. Others proved to be very capable leaders.

Elections were held once again and when the votes were counted, we discovered that we had a new captain, Barry Owen. Lieutenant Sally Stoops resumed her position as the captain's assistant. Diane Dunkleberger was elected to keep track of the proceedings. Connie Black became our permanent treasurer and Susan Fisher became our permanent historian. Gail Shearer and Richard Sheibley represented our infantry in the Student Council.

Captain Barry Owen called a very special meeting. The meeting was to select a date for a dance and a bake sale. Both of these projects were successful and each put money into our treasury.

Then in March, Diane Dunkleberger was rushed to the hospital with a serious attack of appendicitis. She became a history maker in the Polyclinic Hospital in Harrisburg. We were glad to have Diane back to finish the freshman year with us.

Early in May, another one of our soldiers, Connie Black, became seriously ill with Infectious Mononucleosis. She became a history maker in the Carlisle Hospital. She was unable to finish the freshman year with us.

May 29, 1961, we won the ninth battle in our fight for an education. The future seemed promising in the eyes of all the members.

Sixty soldiers returned in August of 1961 to keep fighting. This year we had fine strangers in our infantry. They were Connie Hostetter, Barbara Barrick, Patricia Dixon, Martin Dixon, and Patrick Layser. Elections were held and because of the outstanding accomplishments of our class

officers, they once again resumed their positions. Martin Dixon and Ray Snyder were chosen as Student Council representatives.

Checking the treasury, we decided to improve our financial situation by holding two very successful dances and bake sales.

Soon the tenth battle was over and we anxiously awaited our junior year.

The Class of '64 entered their junior year with sixty-two members. Three new students joined us. They were Linda Barrick, Gary Siegfried and Connie Martino.

On September 5, the following members were elected to office. Our new Captain was Connie Shatto, and because of the ability of Sally Stoops, Diane Dunkleberger, Connie Black, and Sue Fisher, they again resumed their previous positions. Brenda Little became Diane's assistant secretary because of extra secretarial work. Student Council representatives were Ron Boggs and Terry Ulrich.

September 17, 1962, the Ring Committee chose our class rings from the Josten Ring Company.

In November, the Juniors presented a three-act play entitled Gentlemen Prefer Blondes. Many thanks went to Mrs. Swan and Mr. Heston for helping to make the play a huge success.

Many long hours were spent in the preparation for the prom, "Fantasia" given in honor of the Seniors of 1963.

With the success of the play, the three dances, and the bake sales, the treasury began to rise.

May 29, 1963, marked the end of the junior year with another battle over and won.

Well, here we are at last! Our Senior Year! We looked forward to a full and busy year. Only 52 soldiers were present to continue the last months of our high school years. We were disappointed that some of the members were not with us in the end. But they had found their way of life early.

Captain Connie Shatto, Lieutenant Sally Stoops, Secretary Diane Dunkleberger, Treasurer Connie Black, Historian Sue Fisher, and Student Council representatives Ron Boggs and Terry Ulrich again served their class as senior officers.

Our treasury began to fill as we had two very successful dances, two successful bake sales, the Senior play, excellent candy sales, and our yearbook, The Mahonian.

Finally our financial goal was reached. We journeyed to New York City to spend our last three days together. As graduation draws near, we pause to say "thank you" to all our advisors and special "thanks" go to Mrs. Swan and Mr. Ramer who helped us through the last battle.

After receiving our honorable discharge from Fort Perry Joint, we will enter the world as individuals and not as a group.

MEMORIES OF FANTASIA

Our prom in honor of the Class of 1963, like most proms, took months of hard work and planning but almost everyone will agree that it was worth it. When we think of our prom now and in years to come we will have fond memories of all the fun and work of making and searching for usable decorations, the wonderful co-operation of our class and our teachers, the very hot, humid but fun-filled day spent in changing the gym into a fairyland garden, the last minute rush for balloons, and finally the colorful beauty of party dresses, sweet-smelling flowers and lovely music, all combined to make an evening we shall never forget.

How diligently we worked trying to put together those shamrock trees!

Dave and Earl pose while taping colored streamers to the wire.

The face peeking between Sally and Janet is one of our elves.

The finished gym awaits the music and dancing of the night to come.

FINALLY!

When we began to plan this book, we were thinking of one great man, Abraham Lincoln, who gave his life because of his firm beliefs. Since that time, the life of another great man, John F. Kennedy, has been taken by a demented individual also for reasons unknown to the world.

Because of the parallel situations in the assassinations of these men and the comparative similarity of the ideas for which they were assassinated, we feel that our late President, Mr. Kennedy, deserves equal honor in our publication.

We present their photographs here as a common tribute and testimony of our gratitude to these great men who gave their lives in a "last measure of devotion" that we may have a better atmosphere for the pursuance of our future interests.

In Memory Of

March 13, 1946

CONNIE ALICE SHATTO

March 3, 1964

We shall long remember the cheerful, exciting beginnings of our yearbook. It was to be very different, the very best ever since it was the last, and a memorial to all the soldiers who had fought and given their lives in the Civil War. Connie, did not know; however, nor did we, that she was truly developing her own memorial.

Happy and gay, yet serious and devoted to perfection, she put her whole heart and soul into this yearbook. Although she is gone from us in physical being, everything that was Connie lives in this, her final completed work.

As a diplomatic president and warm person, she meant as much to our class as Mr. Lincoln and Mr. Kennedy meant to the whole nation. Connie will never be gone from us as long as this yearbook of 1964 remains.

Our little systems have their day;
They have their day and cease to be;
They are but broken lights of thee,
And thou, O Lord, art more than they.

We have but faith; we cannot know;
For knowledge is of things we see;
And yet we trust it comes from thee,
A beam in darkness; let it grow.

APPRECIATION

The Class of 1964 wishes to thank all our advertisers for making this year-book possible. A special thanks also goes to Engsminger's Studio and the Perry County Times who together provided the photography, and to our faculty for their assistance in this project.

An extra-special thank-you goes to Mr. Prough, our advisor, who displayed an unbelievable amount of patience.

Although there was much hard work and time involved in the preparation of this last annual at Perry Joint, we feel it is important to make it special and hope you do, too.
